## Dashboard Report

Our Dashboard Report provides a quick look at the financial health of a medical practice by comparing key data for the practice to the appropriate MGMA data.

## Review the Output

The final Report is divided into three tabbed pages:

1. Dashboard,
2. Graph, and
3. Report.

# SAMPLE DASHBOARD INDICATOR REPORT

## 1. Dashboard

Our Dashboard page uses depictions of gauges to show how your practice is doing compared to the MGMA data.

Total Medical Revenue per Physician

Total A/R per Physician

Total Operating  
Cost per Physician

Total General Operating  
Cost per Physician

Total Support Staff  
Cost per Physician

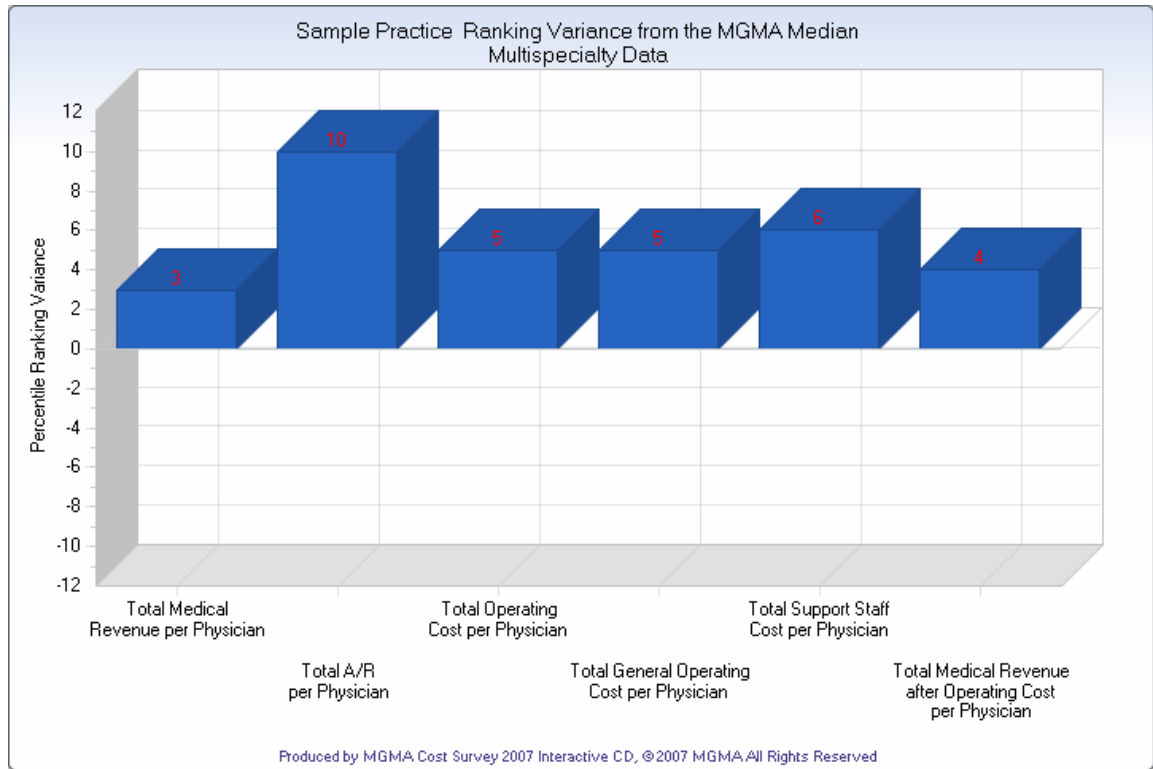

Total Medical Revenue after  
Operating Cost per Physician

# SAMPLE DASHBOARD INDICATOR REPORT

## 2. Graph

The Graph page shows your practice's percentile rankings in the MGMA data for each of the data items.

# SAMPLE DASHBOARD INDICATOR REPORT

## 3. Report

The Report page shows the data about your results in the Practice column, the median of the MGMA data in the MGMA column, and your practice's percentile ranking in the RANK column.

Cost Survey Dashboard Report			
Sample Practice Ranking to MGMA Multispecialty Data			
	Practice	MGMA Median	RANK
Total Medical Revenue per Physician	670,000	654,132	53rd %tile
Total A/R per Physician	135,000	121,284	60th %tile
Total Operating Cost per Physician	420,000	406,133	55th %tile
Total General Operating Cost per Physician	215,000	203,563	55th %tile
Total Support Staff Cost per Physician	208,000	197,991	56th %tile
Total Medical Revenue after Operating Cost per Physician	265,000	251,686	54th %tile
